Success You Can Bank On

IWCE-Vision.com

Welcome to IWCE 2020

We invite you to take the opportunity to present and highlight your brand to the dedicated window covering and interior design business owners who attend this exclusive educational and networking event. The International Window Coverings Expo will be held at the Charlotte Convention Center, March 25-27, 2020.

This is your connection to reach the key business owners in the 5 billion dollar+ window covering industry. They attend IWCE to discover new products and resources to help them be more successful. Last year's show was so successful that we have added another day to network with a festive Grand Opening Reception the evening prior to the first full day to allow attendees to visit exhibitors and sponsors in a relaxed, fun atmosphere taking advantage of what Charlotte has to offer.

We've worked diligently to offer IWCE sponsors a wide variety of marketing opportunities, designed to provide you with exceptional access to the industry's top companies. Your branding and marketing begins the moment you agree to become a sponsor on all our marketing platforms and culminates with face to face contact with the attendees who attend IWCE in Charlotte.

Success You Can Bank On!

A wide-angle photograph of the Charlotte, North Carolina skyline. The image shows several prominent skyscrapers, including the Bank of America Corporate Center (a tall, blue, glass-clad tower) and the Duke Energy Building (a distinctive, white, Y-shaped skyscraper). The sky is overcast with soft, grey clouds. In the foreground, there are green trees and lower-rise buildings, suggesting a view from an elevated position.

IWCE Background

About IWCE

The International Window Coverings Expo (IWCE) is the annual trade show and conference for the window coverings industry. IWCE is the largest independent expo for the interior design professional in the US. Since its launch in 1997, IWCE has offered dozens of CEU accredited seminars about design, business, marketing, technology and fabrication. Some sessions are specifically for the window covering dealer, however the majority cover best practices in the business of interior design and marketing to the consumer. Hundreds of companies exhibit showing the latest products and technology in shading systems, blinds, fabrics, decorative hardware and trimmings, home automation and equipment.

Attendees come from all 50 US states and 36 international countries. IWCE serves the largest window covering market in the world.
